What To Expect

We pride ourselves on having an easy, uncomplicated process to attending OSHClub.

Prior to attendance, the child enrolment form and any required documents must be completed. Further detail on this is provided in this handbook.

On every arrival or departure, we require families to sign their children in and out. This allows our team to track each child's movements and reinforce safety.

Any new families are encouraged to introduce themselves to the OSHClub Coordinator, walk through the program, meet the team, and discuss any further queries.

Every service is tailored to the specific needs of the community, so it's important to allow time for an induction.

Any new prep children are given a Welcome Pack and are introduced to our OSHC Readiness Program where Educators will drop off and pick them up from their classroom.

We encourage families to familiarise themselves with the service, team members and get involved in the OSHClub environment.

Food

Our carefully crafted menu options are designed to fuel hungry tummies and curious minds with yummy and nutritious foods. This is delivered through the Flavour Fest adventure category, which is an integral part of every Rise then Shine session with Breakfast Club, and Stay and Play session with Snack Squad.

Our mini chefs will learn about healthy eating habits and preparing your body and mind for a busy school day. Kids will have the chance to prepare a wide variety of tasty treats, in a fun hands-on environment.

Our menus are catered to each service by the coordinator, so any cultural or dietary options are catered for.

If you wish to learn more about what foods your local service provides, please contact your Service Coordinator today. They will be happy to provide you with sample menus on what delicious foods we provide each week.

Enrolment and Booking

We offer an easy and uncomplicated free registration system using our online platform at oshclub.com.au or calling our Customer Service team on **1300 395 735**.

OSHClub is guided by the governments National Quality Framework and set Education and Care National Law Act and Regulations applicable for each state, so there is necessary documentation we require from each family.

All enrolments must be completed prior to attendance with all required documentation that are required by National Law. These are:

IMMUNISATION HISTORY

Each service has a legal requirement to have a record of each child's immunisation history so families can be contacted if any illnesses are circulating the community and prevent exposure to a child who may not be immunised.

MEDICATION AUTHORISATION FORM

Any medication that needs to be administered requires a Medical Authorisation Form to be signed by the family. The medication then needs to be provided to the service with the child's name clearly displayed in its original packaging.

MEDICAL MANAGEMENT PLANS

All medical conditions require a Medical Management Plan to be prepared by the child's doctor.

Allergy or anaphylaxis requirements must be on an ASICA Action Plan displayed in colour with a picture of the child and signed by the doctor. Any other medical conditions such as asthma or epilepsy also require a Medical Management Plan along with any medication required to properly manage the child's medical condition, such as an inhaler, auto-injector (epipen) or antihistamines.

Families are responsible for updating any Medical Management Plans on an annual basis and providing these to the service. If these are not provided, this may prevent the child from attending.

Bookings

To allow for flexibility, we have varied booking options, with different booking and cancellation terms to suit different family needs.

Please see your specific Key Service Information document for more information!

Since July 10 2023, families who earn less than \$530,000pa are eligible for the Child Care Subsidy with up to 90% off fees! This means even more families can access quality programs such as our 'Rise then Shine' before school program, 'Stay and Play' after school program, and our Holiday HQ School Holiday programs at a very affordable rate. On average, Australian families get an 86% rebate* on all sessions.

If families are eligible for Child Care Subsidy, they can contact Centrelink Family and Parents Line on 13 61 50 for details on how to register. Once we have these details, families will not have to suffer out of pocket costs by having the rebate applied automatically.

We also have further assistance for families suffering with financial hardship. For more information, contact Customer Experience on **1300 395 735**.

Collection

All children must be collected by the individuals specified on the enrolment form. Our team will only allow children to leave with authorised individuals, so it is recommended for any person collecting a child to carry their identification. Children must be signed in and out for every session to support these safety precautions. Any late pick ups may incur a fee, but this is determined by case.

*Based on Australian average household income and average session fee.
